# Stem Cell Research in the Asia-Pacific Region

February 4, 2009 10:00~16:50

RIKEN Center for Developmental Biology Kobe, Japan

**Richard Boyd**  
**Linzhao Cheng**  
**Jyotsna Dhawan**  
**Surapol Issaragrisil**  
**Dong-Wook Kim**  
**Lingsong Li**  
**Bing Lim**  
**Mahendra Rao**  
**Toshio Suda**  
**John Yu**

Monash University, Australia  
Johns Hopkins University, USA  
Centre for Cellular and Molecular Biology, India  
Siriraj Hospital, Thailand  
Korea Stem Cell Center, Korea  
Peking University, China  
Genome Institute of Singapore, Singapore  
Invitrogen, USA  
Keio University, Japan  
Academia Sinica, Taiwan

**Hosted by**

Japan Society for the Promotion of Science (JSPS)  
RIKEN Center for Developmental Biology (CDB)  
Stem Cell Network: Asia-Pacific (SNAP)

**Sponsored by**

Nature Asia-Pacific

**Organized by**

Douglas Sipp  
Shin-Ichi Nishikawa

振興調整費

This forum is supported by JSPS's Flexible International Exchanges,  
Strategic Program for Building an Asian Science and Technology Community,  
funded under the Special Coordination Funds for Promoting Science and Technology
